GE Announces New Pay Hikes for Employees

New York, Oct. 6.—(P)—The Gen-
 eral Electric company announced
 today it has given a voluntary
 "cost of living" increase to 7,000
 already retired employees.

For the majority of these pen-
 sioners, the company said, the in-
 crease is between \$24 and \$49
 monthly with some receiving
 smaller amounts.

Charles E. Wilson, GE presi-
 dent, said:
 "General Electric initiated its
 pension plan in 1912. Then, as
 now, the objective was to provide
 an income to supplement em-
 ployees' savings and thus assist
 them in spending their later years
 in comfortable retirement.

"We recognize, of course, that
 inflation and the increased cost of
 living have worked to the decided
 disadvantage of this group and, in
 many cases, brought hardship on
 those who had many worthy con-
 tributions to the company and had
 planned well for their retirement.
 It is hoped that this amendment to
 our pension plan will materially
 assist those who have been so af-
 fected."

The amended plan for those al-
 ready retired, the company said,
 is designed to bring present pen-
 sion payments more nearly in
 line with payments to future pen-
 sioners—recently negotiated with
 unions.

The company's pension plan
 calls for contributions to the pen-
 sion fund by employees on the
 basis of two per cent of the part
 of annual pay subject to the so-
 cial security tax (\$3,600 after Jan.
 1, 1951) and five per cent of any
 excess.

Currently, employees are contrib-
 uting at the rate of two per cent

Authorities Protest New Security Law

Frankfurt, Germany, Oct. 6.—
 (P)—American Authorities in Ger-
 many have protested sharply to
 Washington at news carried that
 a new U. S. security law which
 threatens to bar 90 per
 cent of all Germans from enter-
 ing the United States, officials
 disclosed today.

U. S. High Commissioner John
 J. McCloy has sent a strong mes-
 sage predicting that strict appli-
 cation of the law — barring
 entry into the U. S. of any
 former member of the Nazi party
 or its affiliates — would virtually
 wreck the aid program for send-
 ing Germans to America to learn
 democracy.

American officials here are
 doubly embarrassed because the
 law passed over President Tru-
 man's veto, but just as the Allies
 had decided to integrate West Ger-
 many into Western Europe with
 international equality and to wipe
 out the stigma of "enemy" by
 ending the state of war.

American civilians in Germany,
 too, have joined in the storm of
 protests. Many of them have mar-
 ried German girls whose views are
 now being held up because they
 once belonged to the Hitler-spon-
 sored League of German Girls.

The law is part of the new anti-
 subversive bill which also hit at
 Communists and all other support-
 ers of totalitarian rule.

High commission messages to
 Washington have urged speedy
 interpretation of the law which
 would clarify its present general-
 ities. They are hopeful that the
 government will hand down such
 interpretation as will permit con-
 tinuation of their aid program of
 rehabilitating the Germans politi-
 cally.

Strictly applied, the law would
 hit about 90 per cent of all Ger-
 mans over 15 years of age.

RED PRISONERS WASH UP—At the UN's first POW camp at
 Pusan, South Korea, Red prisoners line up at outdoor basins to
 wash up. Captive Reds are treated in accordance with Geneva
 Convention rules, making their lot so comfortable that POW camp
 commander, Maj. John B. Hor of Boston, remarked: "I could
 leave the gates open, and still find these babies here..." (NEA-

FOOT-LOOSE—A tourist toes the mark or vice versa as he snaps
 a picture of the world's largest foot, recently excavated by the
 Egyptian government at Karnak. The foot is a size 12-14 feet
 long and is part of a 7-foot-high granite statue of Pharaoh
 Ramses III. It is rumored that when the statue developed a
 bunion, the ancient Egyptians called in a local dynamiter, thus
 accounting for the missing toes.

England and Beasley Lead Hope to Victory

The Hope Bobcats showed much
 improvement last night in downing
 the Gurdon Go-Devis 26-6 at Ham-
 mons Stadium before a small
 crowd.

The Bobcats, superior in every
 department, racked up 13 points in
 each half and Gurdon tallied in the
 final period. Hope had the situa-
 tion well in hand from the start as
 evidenced by the fact that Gurdon
 made a total of 19 yards the first
 half.

Late in the final quarter the Go-
 Devis started clicking with Gattis
 and Reed carrying but the drive
 stalled near paydirt. An intercept-
 ed pass set up their lone tally with
 Seagins throwing to Johnson from
 12 yards out.

For three quarters the Hope de-
 fense was tough with Neal, Hooper,
 Beasley and Barrentine leading.
 Beasley fitted in like a glove at
 his old end position both off-
 sively and defensively. Wayne
 England was the best ground gain-
 er of the night while Lile, playing
 practically the entire game, looked
 good on defense.

Hope wasted little time scoring.
 The Cats went 60 yards with Beas-
 ley taking a pass from Crumpler
 for 5 yards and six points. Eng-
 land kicked goal. Before the
 quarter ended Hope made another.
 Crumpler again tossing to Beasley.
 The play was good for 25 yards and
 put Hope ahead 13-0. In the sec-
 ond quarter Hope was stalled by
 numerous penalties that came when
 it hurt.

Again in the third period the Cats
 got rolling with England gallop-
 ing 35 yards to paydirt and Barren-
 tine scoring on an end-around from
 5 yards out giving the Bobcats
 a 26-0 lead. Gurdon's tally
 came in the 4th period.

Crumpler passed 20 yards to
 England for a touchdown on the
 last play of the game but an off-
 side penalty nullified the play.

First downs: Hope 12, Gurdon 7.
 The Bobcats passed 11 times, com-
 pleted 4, two for touchdowns and
 had one intercepted. Gurdon tried
 9 passes, had one intercepted and
 completed one for a touchdown.
 Hope drew 8 penalties for 80 yards.
 Gurdon two for 20. Hope fumbled
 4 times, recovered 2. Gurdon three
 times, recovered one. Hope made
 141 yards rushing, 68 passing for
 total of 209. Gurdon 101 rushing, 12
 passing for total of 113.
